

Board of Scientific Counselors

November 2009
Meeting

A stylized, layered mountain range graphic in shades of blue, located in the bottom right corner of the slide.

Agenda – Day 1

- ◆ Overview of Environmental Microbiology (EM) research and activities at CDC and on the National Interagency Biodefense Campus
- ◆ Review of ARRA funding for the Immunization Programs

Agenda – Day 1

- ◆ Peer Reviews of:
 - Environmental Microbiology
 - Strategic Plan of National Center for HIV/AIDS, Viral Hepatitis, STD and TB (NCHHSTP)
 - Strategic framework for National Center for Zoonotic, Vector-Borne and Enteric Diseases (NCZVED)

Agenda – Day 2

- ◆ Updates from Dr. Rima Khabbaz and Dr. Frieden
 - Dr. Khabbaz appointed director of the National Center for Preparedness, Detection and Control of Infectious Diseases (NCPDCID); now acting Deputy Director of Infectious Diseases
- ◆ H1N1 report
- ◆ Day 1 summaries

Dr. Thomas R. Frieden

- ◆ Dr. Frieden in his statement made it clear that he believed that the laboratories at the CDC, in the public health sector and in clinical medicine are essential to the success of the CDC mission
 - Allayed many as the reorganization continued.
