Data Source: The American Community Survey (ACS) 2015 annual Public Use Microdata Sample (PUMS) file (<http://>), the latest available file after data collection in the 2015-2016 survey cycle. This source was chosen over the previously used CPS data since the ACS provided more precise totals for the Asian population. Note that "Asian" includes all persons having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent, including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Phillipine Islands, Thailand, and Vietnam.

Distribution of the civilian noninstitutionalized population for 2015-2016 by sex, age, and race/ethnicity domains.

Data Source: The American Community Survey (ACS) 2015 annual Public Use Microdata Sample (PUMS) file (<http://>), the latest available file after data collection in the 2015-2016 survey cycle. This source was chosen over the previously used CPS data since the ACS provided more precise totals for the Asian population. Note that "Asian" includes all persons having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent, including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Phillipine Islands, Thailand, and Vietnam.

Distribution of the civilian noninstitutionalized population for 2015-2016 by sex, age, and race/ethnicity domains.

Data Source: The American Community Survey (ACS) 2015 annual Public Use Microdata Sample (PUMS) file (<http://>), the latest available file after data collection in the 2015-2016 survey cycle. This source was chosen over the previously used CPS data since the ACS provided more precise totals for the Asian population. Note that "Asian" includes all persons having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent, including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Phillipine Islands, Thailand, and Vietnam.
