Data Source: The American Community Survey (ACS) 2011 annual Public Use Microdata Sample (PUMS) file (http://www2.census.gov/acs2011_1yr/pums/), the latest available file after data collection in the 2011-2012 survey cycle. This source was chosen over the previously used CPS data since the ACS provided more precise totals for the Asian population. Note that "Asian" includes all persons having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent, including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Phillipine Islands, Thailand, and Vietnam.

Distribution of the civilian noninstitutionalized U.S. population for use with the NHANES 2011-2012 survey cycle: by gender, age, and race/Hispanic origin

Data Source: The American Community Survey (ACS) 2011 annual Public Use Microdata Sample (PUMS) file (http://www2.census.gov/acs2011_1yr/pums/), the latest available file after data collection in the 2011-2012 survey cycle. This source was chosen over the previously used CPS data since the ACS provided more precise totals for the Asian population. Note that "Asian" includes all persons having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent, including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Phillipine Islands, Thailand, and Vietnam.

Distribution of the civilian noninstitutionalized U.S. population for use with the NHANES 2011-2012 survey cycle: by gender, age, and race/Hispanic origin

Data Source: The American Community Survey (ACS) 2011 annual Public Use Microdata Sample (PUMS) file (http://www2.census.gov/acs2011_1yr/pums/), the latest available file after data collection in the 2011-2012 survey cycle. This source was chosen over the previously used CPS data since the ACS provided more precise totals for the Asian population. Note that "Asian" includes all persons having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent, including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Phillipine Islands, Thailand, and Vietnam.
